Professionally recommended for pets with oily coats and those prone to rolling, digging and other behavior that makes for a smelly, dirty coat; and for itchers and scratchers. Baking soda, with its antibacterial, antiseptic and antifungal properties, along with its ability to neutralize odors, is a natural cleanser ideal for explorers. Oatmeal's antioxidant and anti-inflammatory properties soothe the skin. Omega-6 fatty acids in oats contribute to a healthy, shiny coat. Aloe Vera helps retain moisture and is rich in antioxidants and minerals that help speed healing. Environmentally friendly, formulated with renewable vegetable resources.

DIRECTIONS:

1. Shake before use.
2. Rinse pet thoroughly from the head to the tip of the tail to ensure water reaches skin.
3. Pour shampoo onto pet and work into fur until lather forms.
4. Massage vigorously to work shampoo into skin.
5. Rinse thoroughly until lather disappears, ensuring all shampoo is washed from the skin and fur.
6. Towel dry.

PRECAUTIONS:

Do not ingest this product. Topical use only. Avoid contact with eyes, mouth, and mucous membranes.
